## What is gPanel<sup>®</sup>?

gPanel<sup>®</sup> by Promevo is an exclusive Google Workspace management and reporting solution.

The intuitive centralized user management and security interface delivers peace of mind with a robust suite of features.

# Benefits for Our Clients

- Provides our customers time savings through Advanced User Administration and Admin Delegation, Automated Onboarding/Decommissioning Workflows
- Enhanced visibility through Unique Customizable Reporting
- Drives consistency in branding
- Operational efficiency gains through additional role delegation (Google Workspace Admins, Security Analysts, HR, Learning & Development, Marketing, First-line Managers)
- Superior Domain Security for their organization through granular security controls

## What Our Customers are Saying

*Its presentation of data across Google Workspace is better than native tooling. There are various tasks where it is just faster to get answers via gPanel.*

*I can get in, and get out quickly and know exactly where all the controls are.*

*It makes managing individual user data easier. Especially info that requires you to log in as the user like vacation and autoresponders.*

# What's New?

- Recovery Information Fields in the New UI
- We report on all of this on our release notes so make sure you're signed up for that!

**There will be new features coming soon so stay tuned for our future Office Hour webinars!**
